MARKING ATTENDANCE

The screenshot shows a mobile application interface for marking worker attendance. At the top, a dark blue header contains the title 'Mark Worker Attendance' and a subtitle 'Log daily hours and manage your workforce efficiently.' Below this, a status bar shows '25 Oct', '0 Working', and '3:30 pm'. The main content area is titled 'Mark Worker Attendance' and includes two columns: 'Select Worker' and 'Select Shift'. Each column has a button labeled 'Select a worker' and 'Select a shift' respectively. Below these are 'Clock In Time' and 'Clock Out Time' fields, both showing '15:30'. At the bottom of the main area are two large buttons: an orange 'Clock-In' button and a green 'Clock-Out' button. A 'Work Description' text area is located below the buttons. The bottom navigation bar has three icons: 'Home', 'Attendance' (which is highlighted), and 'Profile'.

- Employer will select a worker
- Assign shift to worker
- Select Check in time
- And then click on check in
- The time for workers will start
- And to check out employer will select the worker from bottom and then select check out time and click on check out and submit .
- Same process for over time also.
- The total wages and all details of the worker will be visible on the home page of the employer

The background features a large, light cream-colored circle on the left and a large, light pink circle on the right. These two circles overlap in the center. The area where they overlap is filled with a dark blue color. In the top right corner, there are several thin, concentric white circles. The text "THANK YOU" is written in a bold, dark blue, sans-serif font, positioned in the center of the cream-colored circle.

THANK YOU
